## EDUCATION

### HSC

A.G High School

07/2016 - 04/2017

84%

Courses

- Physics
- Chemistry
- Mathematics

**B.Tech Information & Communication Technology**  
Ahmedabad University

07/2017 - Present

2.985/4

## PROJECTS

RentForcement (01/2020 - 05/2020)

- Project Guide : Khushroo Doctor
- The platform would help connect all such people from the city and create a Sharing Economy, which would allow users to share resources without possessing them. In need, one can take products on rent at cheaper rates and once the sole purpose of that product is served, he/she can return it back to the original owner who may earn some great bucks in this transaction.
- Technologies Used : **Angular , Spring-boot,MYSQL,Heroku,Ganache,Solidity**
- Team Size:3

Project Management System platform (08/2018 - 11/2018)

- Project Guide:Hiral Vegda
- The platform was generated using java on Eclipse IDE to handle and manage various projects within a company or an organisation using object oriented programming, providing systematic interface for admins to handle , assign and asses employees to several project taken upon by the organisation.
- Team Size: 3
- Technologies Used : **Java , Eclipse , Maven , MYSQL , HTML,CSS3**

Video Streaming Using Redis messaging (03/2020 - 04/2020)

- The platform developed to stream videos using micro-services which can communicate using redis queue messaging . instance of linux on GCP served as central server for data system.Providing Cloud Services for User to login Discover videos and streaming any Video available in the gallery .Load balancing Using Round-robin algorithm. UI for the application is Still under development phase .

## SKILLS

Angular Spring-boot Python Java C++

VHDL Verilog MATLAB React Native

Ethereum Github BitBucket GCP Ganache

IOT RPA UiPath HTML CSS/SCSS

JavaScript Arduino Leadership

## ACHIEVEMENTS

ACM-ICPC

ACM-ICPC College round cleared (Hosted by CodeChef)

IEEE Startup Pitch (Runner's UP,College level)

Ingenious-Hackathon ( Second Runner's Up)

D-APP JEDI all India hackathon (Qualified for final round)

## VOLUNTEERING EXPERIENCE

COMIC-CON - AHMEDABAD

International Guest Handler

COLLEGE TECH -FEST

Logistics Department (Head) (for 2 years )

HULT PRIZE Hosted By UN(College Level)

Main Head

Environmental Club (College Level)

secretary

## CERTIFICATES

RPA AI Vision(UiPath)

Project Organization( UiPath)

Front-End JavaScript Frameworks: Angular

Building Scalable Java Microservices with Spring Boot and Spring Cloud
